

CORMETECH

Maintenance Lead

Only Work 15 Days a Month

Excellent innovative environment with great family-oriented culture.

Come work as an Maintenance Lead at a growing company that offers great benefits with opportunities to advance and learn alongside accomplished business leaders.

THE COMPANY:

Cormetech is a global leader in providing the highest quality and highest performing environmental technology. Our main goal? It's to help ensure our environment is full of clean, unpolluted air. Our products and processes improve air quality for coal and gas-fired power plants. We just don't stop there though. Our innovative development team is reaching the marine, refinery, and even petrochemical markets. We take our responsibility and service we provide seriously.

THE POSITION:

We are looking for a full time Maintenance Lead who is team-oriented, has good communication skills, and prioritizes attendance. The ideal candidate can:

- Work 12 hour shifts on a 2-2-3 schedule.
- Provide daily supervision of maintenance technicians.
- Provide leadership, direction, and guidance for shift maintenance operations.
- Perform duties involving the maintenance and cleanliness of the warehouse/worksite, including equipment.
- Demonstrate consistent problem-solving skills.
- General equipment and facilities maintenance knowledge
- Identify goods that do not meet our quality standards.

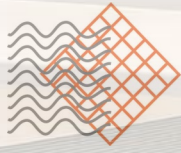

If you are a hard worker, eager to learn, with a go-getter attitude, you are who we are looking for!

THE LOCATION:

This position will be housed in our Kings Mountain, NC manufacturing facility. Our city is ideally located in the foothills of North Carolina, and is home to comfortable climates, top-notch educational institutions and healthcare facilities, recreational opportunities, and friendly people.

WHY SHOULD YOU APPLY?

- Excellent benefit package.
- Growth and advancement opportunities.
- Goal Sharing program.
- Tuition reimbursement.
- Family-oriented environment.

CORMETECH
