## Operations Associate

**Excellent innovative environment with great family-oriented culture.**

Come work as an Operations Associate at a growing company that offers great benefits with opportunities to advance and learn alongside accomplished business leaders.

### **THE COMPANY:**

Cormetech is a global leader in providing the highest quality and highest performing environmental technology. Our main goal? It's to help ensure our environment is full of clean, unpolluted air. Our products and processes improve air quality for coal and gas-fired power plants. We just don't stop there though. Our innovative development team is reaching the marine, refinery, and even petrochemical markets. We take our responsibility and service we provide seriously.

### **THE POSITION:**

We are looking for a full time Operations Associate who has great computer skills and an excellent communicator. The ability to multitask; pays close attention to quality detail work. Requires recording process information and making decisions based on that information.

The ideal candidate can:

- Be able to work required assigned shifts, day and/or evenings and possibly weekends.
- Work with an overhead cranes and or forklift.
- Verify the solution criteria (temp, pH etc.) is within specs before using.
- The ability to assemble materials.
- Working with equipment operations.

### **Current Shift Openings:**

- 1 opening for 1st shift (7 am—3:30 pm)
- 2 openings for 2nd shift (3 pm—11:30 pm)
- 1 opening for a 12 hour rotating night shift (7 pm—7:30 am)

### **THE LOCATION:**

This position will be housed in our Durham NC manufacturing facility. Our city is the fifth-largest city in the state and the home of Duke University. Durham is home to comfortable climates, top-notch educational institutions and healthcare facilities, recreational opportunities, and friendly people.
