## Accounting Manager

### SUMMARY OF POSITION

We are looking for a full time Accounting Manager for our Charlotte, NC facility, who is dedicated to safety, quality & environmental impacts, self-motivated, and an excellent communicator. This position is responsible for the supervision and tasks related to accounting and financial services. Manage the company's general ledger and financial accounts. Assist the development of accounting procedures in accordance with GAAP to support financial objectives. This position will ensure timely and accurate processing of accounting information and related reports.

### WHAT YOU WILL BE DOING

- Manage the general ledger side of the financial accounting close process.
- Ensure all account reconciliations are completed monthly on a timely basis.
- Provide analysis of financial information as directed.
- Monthly financial reporting and variance analysis.
- Ensure timely monthly/quarterly sales and use tax reporting is completed to meet state and local deadlines.
- Organize and ensure all required journal transactions are properly recognized.
- Ensure financial audits are completed timely.
- Prepare all government required reporting.

### Additional Duties:

- Forecast lines of the Profit and Loss statement, Balance Sheet, and Cash Flow.
- Special projects as required.

### WHO WE ARE

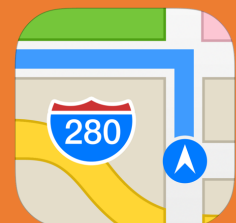

Cormetech is the world's leader in environmental technology. We help customers reduce their release of air pollutants and improve the environment. Protecting our environment for future generations has been important to us since our inception.

### BENEFITS OF OUR WORK

Our focus is to ensure our environment is full of clean, unpolluted air. Not only are we responsible for 65% of the pollution reduction in our air since our inception, our manufacturing methods of regeneration and recycling have eliminated 6.5 million cubic feet of landfill. Our drive to improve the environment does not end there, we are continually innovating and seeking ways to improve air, land, and water quality.
